Pay by the Day

To guarantee a spot on the van for your children they must attend at least three days each week.

We must know your child's schedule at the beginning of each week, or daily by 1:00 pm. We cannot guarantee a spot on our van for your child if we are not aware of their schedule.

Van Rules

All children on the Jellybeans van will follow all directions given by the van driver. All children must wear seat belts and sit down, facing forward during the entire van ride. No distracting, loud, or inappropriate behavior will be tolerated. Failure to follow directions and rules on the van will result in a warning. Continuous misbehavior may result in dismissal from our program. Bad behavior on the van is distracting to the driver and a safety hazard to everyone on the van.

Frequently Asked Questions

What do I do if my child's schedule changes?

We must be aware of any changes by 1:00pm each day. Simply call Jellybeans to let us know.

Do I need to provide a booster seat if my child needs one?

No. We have booster seats on the vans. If your child is under 8 years old, or under 80 pounds, they will be required to ride in a booster seat while on the Jellybeans van.

Can my child bring electronics?

No. We do not allow children to be on electronics while at Jellybeans after school. If you need to get in touch with your child, please call Jellybeans.

The children are at Jellybeans for roughly 3 hours. We strive to promote an active environment that allows for children to be social and make new friends.

Electronics inhibit social interaction and result in children sitting alone.

What do I do if someone is picking my child up that is not on the registration form?

Just give us a call and let us know who will pick them up, that day. We will not allow someone to leave with your child if their name is not on the sheet or you have not contacted us.

Can my child bring skates from home?

Yes. Please make sure they have all 8 wheels and are clean. Your child has the option to use a cubby at Jellybeans. Cubbies are located behind skate rental and can house your children's skates so they do not have to take them to school.

Do you sell skates?

Yes. Jellybeans sells skates in our pro-shop.
